Dear Colleagues

The Primary Medical Services (Mental Health) (Directed Enhanced Services) (Wales) Directions 2017

Please find attached revised Directions for the Mental Health Directed Enhanced Service.

The Directions basically introduce four new training topics which GMS contractors may wish to participate in. The four new topics are –

- eating disorders in adolescence and early adulthood;
- understanding the importance of timely diagnosis in dementia including advanced decision making and enduring/lasting power of attorney;
- perinatal mental health problems; and
- meeting the health needs including mental health needs of refugees and asylum seekers.

The Directions will be placed on our GMS contract website at <http://www.wales.nhs.uk/sites3/page.cfm?orgid=480&pid=6064>

Yours sincerely

Dr. Grant L. Duncan
Dirprwy Gyfarwyddwr, yr Is-adran Gofal Sylfaenol
Deputy Director, Primary Care Division
